

**Kushesh Express**  
SPECIALIST IN HEALTHCARE DISTRIBUTION

BRIDGING THE GAP BETWEEN  
MANUFACTURERS & HEALTHCARE  
CENTRES

**Medical products are fragile and vulnerable to damage, contamination, delay and pilferage. We seamlessly bridge the gap between manufacturers and health care facilities like hospitals and clinics. By exclusively focusing on medical products, we minimise the risk of contamination to your goods. In a world where every courier company promises but does not deliver, we as entrepreneurs take our reputation seriously. We take pride in delivering.**

#### DELIVERY SCOPE

- We provide same day delivery services as well as a quick service when deliveries are required within 2 hours in the same town.
- Our most popular service, for the “not so urgent” deliveries, that are required to be delivered before close of business on the working day following the day of collection.
- Standard courier takes 24 to 48 hours to major cities through out South Africa.
- We also provide access to previously under serviced areas to reach clinics within township areas.

#### PROACTIVE ACCOUNT MANAGEMENT

- We find ways to reduce costs for the benefit of our clients e.g. our advice on packaging optimisation has resulted in cost savings to our clients.
- Technology solutions provide visibility of product throughout the transport lifecycle.
- Our flexibility allows us to cater for client specific needs.

#### DISTRIBUTION / DISPATCH CONTROL

- Main dispatch centre is based in Gauteng with a national presence.
- We do not make medicine, but through our systems, technology, warehouse facilities and committed team, we ensure that the correct medical products reach the end-users when and where they need it, in the correct condition.
- Our fleet are fitted with computerized tracking systems to determine the exact location of the vehicle at all times and we can estimate delivery times on request.

#### WHO ARE OUR CLIENTS?

- Hospitals
- Clinics
- Government Health Points
- Rural Clinics
- Township Clinics

#### WHAT MAKES US DIFFERENT?

- We deliver on our promises.
- Our drivers are trained specifically to handle healthcare delivery protocol, including delivery into operating theatres
- We do not multi – load therefore there is no contamination from other goods.
- We value our reputation and therefore our honesty and integrity is what sets us apart.
- Because we are privately owned, we can respond to call outs faster than standard couriers.
- We take pride in delivering excellent service, combining industry knowledge, flexibility and quality of service in a friendly and professional way to deliver on our promises to you.

#### TRACK RECORD

- Deliveries to 2,185 hospitals nationally.
- Express deliveries replacing inventory with fast, reliable logistics , reducing warehousing costs.
